PARENT PARTNERS for Existing Flagstaff Families

Make a Difference!! Parent Partners is a voluntary program being offered to new Flagstaff Academy families joining our school in the Fall of 2009. We are looking for existing Flagstaff parents from all grade levels, including Middle School, who are interested in welcoming new families to Flagstaff Academy. If you are interested in making a positive impact on a new family and can commit to attending one informational meeting, please sign up today!

Please return this form to the front desk or place it in the "Parent Partner" mailbox in the copy room. Please note the Parent Partner Program is ongoing so while you may not be matched immediately to a new family, you may be contacted later in the year as new families join Flagstaff. Once you are matched with a new family, we will ask you to make contact with that new family immediately to begin the welcome process.

We are an **existing** Flagstaff family. We would like to be a Parent Partner family, helping a new Flagstaff family settle in to our school.
