### PARENT PARTNERS for New Flagstaff Families

Welcome! Parent Partners is a voluntary program designed to quickly connect and welcome you to Flagstaff Academy. You will be paired with an existing Flagstaff family based on your child(ren)'s ages and interests (when possible). Our goal is for you to have a Parent Partner Family that you can go to for answers to questions and information about the Flagstaff Academy experience.

If you are interested in participating in the program, we ask that you return this form to the Flagstaff Academy front desk or mail it to the address above. You will be paired with an existing Flagstaff family who will contact you directly. **Please note that participation in the program is absolutely voluntary!** We would like to help make your transition to Flagstaff Academy as easy as possible!

We are a **new** Flagstaff family. We would like to be paired with a Parent Partner family.
